The entertainer

JP creates experiences that engage employees and make Manulife Philippines a fun place to work. But that's just his day job. As one of the MBPS Divas, he entertains employees with comedy and dance - and he's involved with PROUD, our LGBT+ employee group.

JOHN PAUL:

I am the chairman of PROUD in Manila and one of the MBPS divas and I believe that I am the living example of that there's nothing wrong about being true to yourself and still being able to contribute to the success of the organization. Manulife is the workplace that makes me feel like I can always be myself. It is a place that encourages acceptance and inclusion. I'm no pretensions, no need to hide being inclusive is just doing the right thing.
